This room/bathroom was very lovely. Very clean and super cute and quaint. It is run by a company so loses some personal touch because of that. The WiFi was not working for us but maybe that's not the usual. It was in a great location!!

Apartment was very pretty and quaint ! Location was excellent , very close to the main sights in Porto. Luis greeted us and was very helpful, gave us some great tips. Bed was comfortable but we were only provided with two pillows which were awfully uncomfortable.
